

# Cell Phone Booster

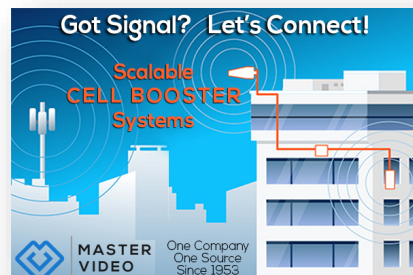

## ■ Next-Generation Cell Phone Booster Solutions

- ✓ Master Video's cell signal solutions are scalable to any size facility. Our commercial cell phone repeaters detect any existing signals and rebroadcast the boosted signal throughout the facility, for a more reliable way to talk, text, and use cellular data when on any corporate property or commercial facility.
- ✓ Master Video is a value-added provider of FCC-approved, industrial-strength cellular signal boosters for Commercial, Medical, Hospitality, and Industrial properties.

## ■ Cell Phone Booster Benefits

- ✓ FCC-approved cell boosters
- ✓ Works with all devices
- ✓ Works with all carriers
- ✓ Enhances overall reception
- ✓ Faster data speeds
- ✓ Eliminates "dead zones"
- ✓ Improves user satisfaction
